STATUS CONFERENCE HELD: Defendant consented, in an executed written waiver and orally on the record, to waiving his physical appearance at today's conference. The Court accepted the waiver as knowing and voluntary, and determined that the waiver was appropriate under the CARES Act. The Government represented that discovery is complete. The next status conference in this matter is scheduled on December 9, 2021 at 9:00am by teleconference. The Government moved to exclude time under the Speedy Trial Act from today until December 9, 2021 for defendant and his counsel review discovery and to continue to discuss a possible pretrial resolution. That application was granted without objection by the Defendant. Defendant is remanded.
